

2025

# SAMTEC CARES ANNUAL REPORT

The Samtec Cares Grant Program was created to positively impact and assist charitable organizations within the communities where our employees live, work and play, using rotating areas of focus that are important to our employees worldwide.

Being a good corporate citizen of a community carries with it responsibility. Since the majority of Samtec employees come from cities and towns surrounding our facilities, Samtec seeks to have a big impact through giving in these areas.

To learn more, please visit [samtec.com/samteccares](http://samtec.com/samteccares).

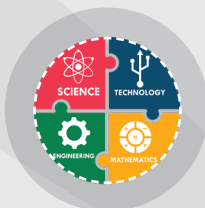

**GIVING SUMMARY**

---

**\$709,685**  
Awarded 2025 Grants

**\$5,451,223**  
Total Grants Made to Date  
*(Since the founding of Samtec Cares in 2018)*

## AREAS OF FOCUS

### TECHNOLOGY

We support organizations that achieve impact through creative tools and solutions, including STEM-related hands-on learning programs with real-world applications.

### INNOVATION

We support organizations with a creative and/or collaborative approach to delivering services or achieving mission-aligned results.

### COMMUNITY DEVELOPMENT

We support organizations that clearly address root cause issues that will improve the quality of life and environment for our neighbors.
